

## MERCURY THERMOMETER EXCHANGE LOCATIONS

Franklin County area residents now have several locations where they can [drop-off mercury fever thermometers in exchange for a free digital thermometer](#) while supplies last. Mercury even in the smallest amounts can be hazardous. Take this opportunity to properly dispose of mercury thermometers in your home. If you have any questions about mercury or mercury sources or to dispose of mercury in your home, please call the Columbus Health Department at 645-5625 or the Franklin County Board of Health at 462-3928.
